KALAYAAN AVE., COR. SALAMANCA ST. MAKATI CITY

# WHO ARE WE?

**Stemcell Manila and MIMMO aims to provide medical solutions at the cellular level. We harness the power of stem cells to deliver not just treatments but also at the most basic level.**

# OUR MISSION

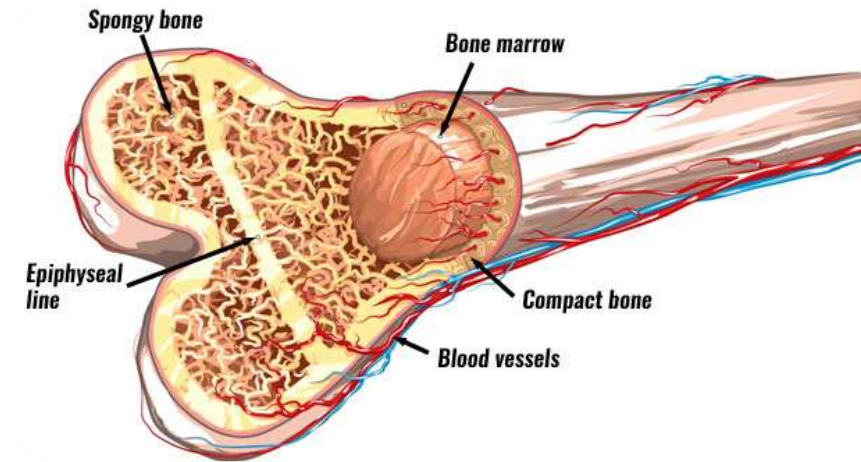

**We aim to close the gap of health expectancy and life expectancy. We want nothing more but a functional and fulfilled quality of life for our patients.**

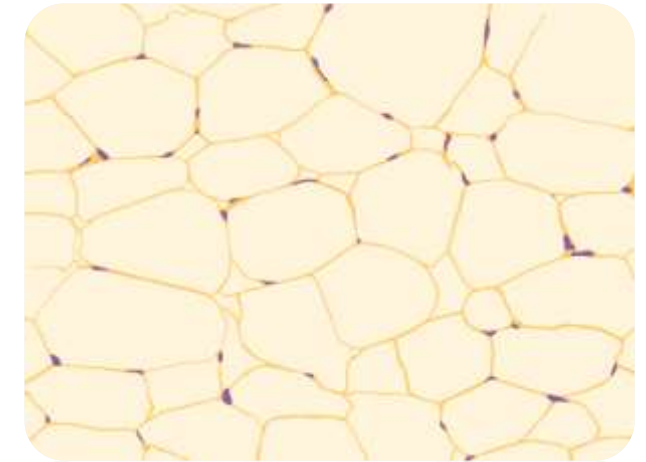

# What are Stem cells?

**BLOOD**

**BONE MARROW**

**FAT CELLS**

# What can Stem cells do for you?

Stem cells can become any type of cell in the body. This versatility allows stem cells to be used to regenerate or repair diseased tissue and organs.

# Am I a candidate for Stem cells?

Different stem cell therapies can be offered for patients with the following conditions:

- **Cancer**
- **Autoimmune diseases** (Psoriasis, Multiple sclerosis, Rheumatoid arthritis)
- **Inflammatory and chronic diseases** (Cardiovascular diseases, Hypertension, Diabetes)
- **Neurological diseases** (Parkinson's and Alzheimer's disease)
- **Degenerative diseases** (Joint disease, Osteoarthritis)
- **Dermatologic conditions**
- **Skin aging**

ANYONE CAN BE A  
CANDIDATE FOR  
STEM CELL THERAPY

HEALTHY  
INDIVIDUALS CAN  
ALSO BENEFIT FROM  
STEM CELL THERAPY  
BY OPTIMIZING  
HEALTH AND  
FUNCTIONALITY
